

Happy New Year!

We are going to be able to offer ski club this year to ASI Middle School and High School students, but we only have 30 spots. If you would like to sign up the link is below.

I (Mrs. Mooney) will be at the mountain with another staff member during ski club. It will be held at Mt. Southington on Tuesdays and Thursdays for 6 weeks starting on Tuesday, January 18th and ending on Thursday, February 24th. It will run from 3:00-6:45pm. Students need to have their **own transportation from the mountain starting at 6:45p**. There is **no ski club on Tuesday, February 15th, or Tuesday, February 22nd**.

As part of our 21st-century grant this year. ASI will be able to fund the cost of ski passes, lessons, and transportation to the mountain. We are not able to fund ski or snowboard rentals. The cost for rentals for the program is \$150.00. There will be a parent and student virtual informational meeting next week for all families that register.

Please reach out with any questions.

Mrs. Mooney

Here is the information for signing up online:

Participants can register, fill out any rental information needed and sign all waivers online, payment for rental equipment must be given by cash or check to the main office.

To register for the group please [click here](#). Our group name is **ASI-CREC**. Your group number is **465**. (If you are registering more than three participants, submit the first three names and fill out another form for the remaining participants, before making payment). Each participant will receive 1 dated ticket per visit. Students will need to wear the appropriate dated ticket on the day they come to the mountain to ski. Lessons are offered promptly at 3:30, 4:30, **OR** 5:30pm.

If you are renting equipment:

If you are renting equipment there is a section to fill out the appropriate info and sign the waiver. Rental cards will be in the rental department upon arrival at Mt. Southington. Check or cash for \$150.00 is due to ASI's main office by Friday, Jan. 14th.
